

March 2012

Scope for Paras, Custodial, Plant Ops., Bus Drivers and other Edu. Employees

National School Breakfast Week

“School Breakfast—Go for Gold” will highlight how eating a healthy balanced breakfast at school helps students shine. The campaign will help students learn about the importance of eating healthy and being active. “School Breakfast - Go for Gold” also aligns with USDA’s Healthier US School Challenge and the First Lady's Let's Move Goals.

The campaign runs from January to March 2012, culminating in National School Breakfast Week, March 5-9, 2012.

As you know, breakfast is considered the most important meal of the day; it is the fuel that fills up our children’s bellies and gives them energy to fill their minds with knowledge. McAllen AFT would like to thank all of you who work in the cafeteria; you help students start off the day with a better, brighter morning.

Save Texas Schools 2012 Rally at the Capitol on Saturday, March 24!

One year ago, over 13,000 people gathered in Austin to speak out against budget cuts to public education. It was the largest capitol rally in modern Texas history! However, our legislators chose not to listen. Now, we need to come back before the primary elections to let them know, “We’re watching, We Remember and We VOTE!” It’s important that every candidate know that education is an issue that they CAN’T IGNORE!

This rally will help us say NO to underfunding our schools! Say NO to overcrowded classrooms and overworked teachers! Say NO to millions spent on an out-of-control testing system! Say YES to educating our children for the future!

The STS March begins at 11 am at 12th and Trinity. Rally begins at noon on the south steps of the Capitol.
